

GCA'S NUMBER 1 NEWS SOURCE!

# EAGLES INSIDER

## NEW YEAR, NEW PUBLICATIONS

BY ARRINGTON GREENE, & CALEB ROBINSON  
*Junkies Feature Reporters*

Welcome back to another year at GCA! I'm your Journalism Junkies President, Arrington Greene. For those of you who do not know, we publish GCA's newspaper, *The Eagle's Insider*. We have been in operation since the beginning of last year. Since then, we have done some amazing things for the school as well as the student body. Our aim is to inform you of what's going on in your school as well as in your community. Our goal is to find trustworthy articles to give you the facts you deserve. We also realize that when you walk out of these doors, another world exists. We want you to be informed about that world. We also want to give you a voice. In a sea of all of the administrative tasks the school has to manage, it is easy for your opinion to get drowned out, but that doesn't have to be the case. This is your school and, as cheesy as it sounds, you must be the change you want to see in it. Therefore, we will serve as your voice. You will be heard. That is one of the things that we Journalism Junkies have been successful at - providing the students with a chance to be an active part of their school. We are glad to be GCA's #1 news source.

ATTENTION: Another crazy school year means another year of crazy articles and stories. I'm Caleb Robinson, Journalism Junkies' Layout Designer for the second year in a row, along with my co-designer Madison Schlesselman. This year we want YOU to help determine what the layout looks like. Madison and I are going to be adding your doodles, photography, lyrics, and anything else we can really think of, in order to allow everyone to be a part of *The Eagle's Insider*. We need you to send in all sorts of creativity in order to make this OUR Newsletter and showcase your personal uniqueness.

## DEVOTION TIME

### *Philippians* 1:21

For to me to live is Christ,  
and to die is gain. If I am to  
live in the flesh, that means  
fruitful labor for me. Yet  
which I shall choose I cannot  
tell. I am hard pressed  
between the two. My desire  
is to depart and be with  
Christ, for that is far better.

The meaning of this verse is that Christ is our life and he is the source and principle that brings life in us, although when it says "to die is gain" it is saying that death is a new stage in the process of a unity with the Lord

## SPORTY SHORTS

BY CALEB ROBINSON

SPORTS INTRO: Welcome to GCA's #1 Sports News Resource! I'm Caleb Robinson, Junkies' Sports News Reporter. Although we're more than half way through the fall sport's season, there is plenty of time to report about the Varsity Soccer and Volleyball teams and also the JV volleyball team. Be prepared to read about weekly scores, highlights, and major rivalry games throughout all of the school's sport seasons. I'm excited to see what kind of strength God is giving the GCA athletes this year, and you can be sure to read all about it right here!

## ANOTHER NEW IPHONE?!

BY MADISON SCHLESSELMAN

*Junkies Feature Reporter*

As we all may know, every year the amazing company Apple comes out with an extraordinary new phone with a new cool model and a new iOS. About two weeks ago, Apple released the new and headphone-jackless iPhone 7 and iOS 10 with some Android-looking emojis. I know

we are all super upset about these things but I mean we can all still agree we are better than Android, right? ;) Despite all of the horrible emojis and weird wireless and overly expensive headphones, iOS 10 has a new fancy look that adds to the great new design of the new iPhone. The iPhone has a new and improved camera with 12 mp, optical image stabilization, 7mp Facetime HD Camera, and a Quad-LED true tone flash. The new phone also has the longest battery life ever in an iPhone, is 2x faster than the iPhone 6s, and boasts 2x louder speakers. Along with all those fancy features, the new iPhone 7 comes with 2 new colors and..... ITS WATER RESISTANT.... what we've all been waiting for! Well there you have it friends, maybe next time Apple will grant all our wishes and give us 3-way face time, but we'll have to settle with this for now.

# JUNKIES JOKES

BY KWAME AGYEKUM

Q: What happens to a frog's car when it breaks down?

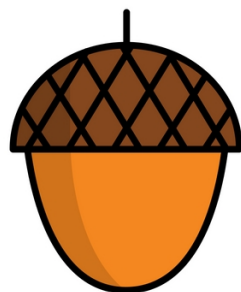

A: It gets toad away.

Q: What did the duck say when he bought lipstick?

A: "Put it on my bill."

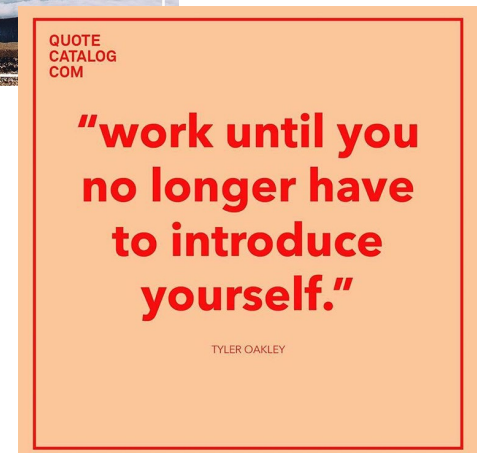

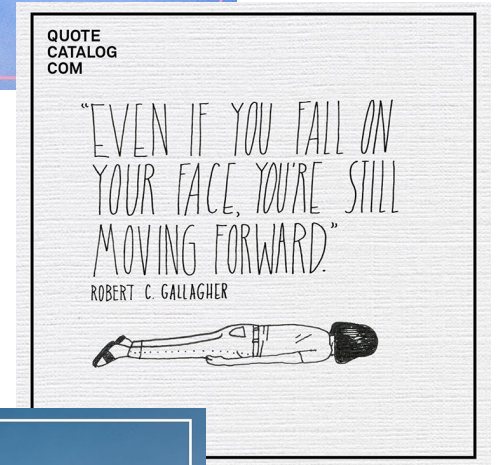

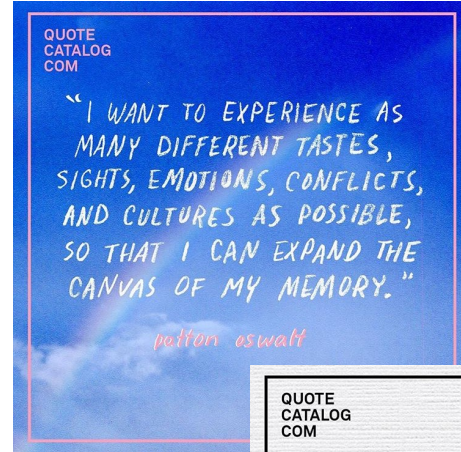

A recent worldwide survey showed that out of 2,146,703,436 people, 94% were too lazy to actually read that number.

A genius makes a bet with a dunce. The genius says, "Hey dunce, every question I ask you that you don't know the answer, you have to give me \$5. And if you ask me a question and I can't answer yours I will give you \$5,000." The dunce says, "Okay." The genius then asks, "How many continents are there in the world?" The dunce doesn't know and hands over the \$5. The dunce then says, "Now I will ask: what animal stands with two legs but sleeps with three?" The genius tries and searches very hard for the answer but gives up and hands over the \$5000. The genius says, "Dang it, I lost. By the way, what was the answer to your question?" The dunce hands over \$5.
